James 4:13-15

Come now, you who say, "Today or tomorrow we will go to such and such a city, and spend a year there and engage in business and make a profit." "Yet you do not know what your life will be like tomorrow. You are just a vapor that appears for a little while and then vanishes away. Instead, you ought to say, "If the Lord wills, we will live and also do this or that."

"We design, build, and market solutions that exceed expectations and produce results — solutions that you need"

The design technology got people to visit the ASCE San Bernardino & Riverside Counties Branch web site that had never been there before, many very high profile people. It really helped the branch and it's sub-committees so we did not have to deal with the day to day tasks of announcing up coming events and news, the online calendar and forms are instrumental.
