President's Message

Passionate about business growth and a efficient web presents?

Contact us when you are ready to collaborate your business needs.

JGWD Solutions is here to **HELP** you succeed.

I would like to share another one of our web FAQs:

Q: Why should I hire a freelance web designer like you instead of a ecommerce developer or free do it your self agency?

A: I have nothing against ecommerce developers or free do it your self agency. In fact, those types of businesses are some of my best clients that desire a more professional approach.

However, if the project you're doing needs industry standard development (i.e. a website, brochure, landing page or press release) you'll probably save a lot by coming directly to me. Typically, agencies have higher overhead than I do, and it's reflected in their rates. Plus, most agencies don't have in-house developers. Instead, some tasks may be out-sourced [Click Here](#) to view more.
